

## EYEWASH/DRENCHING UNITS

COMPANY	MODEL/ITEM	TYPE/USE	PHYSICAL DIMENSIONS	SPECIAL FEATURES
<b>Bradley Corp.</b> <i>www.bradleycorp.com</i>	On-Site S19-921	Portable gravity-fed eyewash	7-gallon tank	Patented system creates a vacuum inside tank for consistent water distribution
	Heat Trace S19-300	Heat-traced/freeze-resistant combination drench shower/eyewash	41" x 21.25" x 99.75"	Freeze resistant to -50 degrees F, integral freeze-protection bleed valve, more
	S19-310	Combination drench shower/eyewash	28.5" x 11.5" x 10.5"	Highly visible, galvanized BradTect yellow coating
	S19-625	Wall-mounted, angled dual head eye/face wash & drench hose	8" x 4" x 26"; 12' recoil hose	Squeeze-trigger activation; third-party certified by SEI to ANSI Z358.1-2004
	S19-270HD	Swing-down activated, wall-mounted eyewash	13" x 9.25" x 5.25"	Mounts neatly behind sink to maximize counter space
<b>Encon Safety Products Inc.</b> <i>www.enconsafety.com</i>	Encon 01050216	Combination shower/eyewash	96.375" x 24"	30 gpm shower; Yello-bowl® facewash w/ABS heads/wye; optional components
	Encon 01050217	Combination shower/eyewash	96.375" x 24"	30 gpm shower; Yello-bowl® facewash w/acetel heads & BCP wye; more
	Aquarion AQ100	Portable eyewash	2 preserved, buffered isotonic solution cartridges	Wall mounted or w/transport cart/waste receptacle; 15-minute flush capacity
	Encon 01104050	Gravity-fed portable eyewash station	14-gallon container	Encon's Hydrosep water treatment additive prevents bacterial growth for 90 days
	Encon 01104002	Pressurized portable eyewash w/drench hose	13-gallon tank	Also available in 37-gallon capacity
<b>Gateway Safety Inc.</b> <i>www.gatewayssafety.com</i>	Kleen Eyes II	Adjustable eyewash station	Fountain tips are 2" apart	Easy installation; irrigates both eyes w/aerated water; adjustable tips
<b>Haws Corp.</b> <i>www.hawesco.com</i>	AXION MSR 7260B-7270B	Wall-mounted eye/face wash w/plastic bowl	11" round bowl, 15" diameter spacing	Unit has laminar flow & zero vertical velocity inverted stream engineering
	AXION MSR 8300-8309	Combination eye/face wash & drench shower	30" x 90"	Has laminar flow, zero vertical velocity, AXION hydrodynamic drench shower, more
	7501	Portable gravity-fed eyewash	14" x 10" x 22"	FDA-approved high-density green polyethylene tank
	AXION MSR 7610	Pull-down deck-mount eye/face wash	7" x 17"	Unit has laminar flow & zero vertical velocity inverted stream engineering
	8317 CTFP	Cable-heated combination eye/face wash & drench shower	44" x 96"	Cable-heated, freeze-resistant (down to -30F) w/universal top or bottom supply
<b>H.L. Bouton Co. Inc.</b> <i>www.hlbouton.com</i>	1PEF002 Wall-Mounted Eye/Face Wash	Eye/face wash	11.75" bowl	Stainless steel bowl, plastic spray heads
	01116, 16-Gallon Eyewash Unit	16-gallon eyewash unit	16.75" x 13.75" x 23.75"	Quick, one-step activation delivery
	01107, 7-Gallon Eyewash Unit	7-gallon eyewash unit	19" x 13" x 29"	50% lighter than conventional systems

## **EYEWASH/DRENCHING UNITS** (continued)

<b>Speakman Co.</b> <a href="http://www.speakmancompany.com">www.speakmancompany.com</a>	SE-4320	Portable eyewash unit	20-gallon tank	Drench hose, water preservative, optional heating element
	Eyesaver® SEF-1800	Combination eyewash & lavatory faucet	5.25" gooseneck faucet	Aerated yellow spray heads, independently operational eyewash & faucet
	Eyesaver® SEF-9000	Combination eyewash & service sink faucet	Speakman SC-5811-RCP service sink	Aerated yellow spray heads, independently operational eyewash & sink
	SE-575-DP-237	Laboratory eye/face wash, wall-mounted	10" flush-mounted showerhead	Recessed stainless steel cabinet, swing-down eyewash activation
	Eye Medic™ SE-4700	Portable eyewash unit, gravity-fed operation	Shell accommodates two 4.2-gallon cartridges	Compact space-saving design, tamper-evident ties
<b>Unimed-Midwest Inc.</b> <a href="http://www.unimedmidwest.com">www.unimedmidwest.com</a>	Guardian Supplemental Eyewash Station, GEEW170101	Supplemental eyewash unit	5" head distance	Installs easily on regular or gooseneck faucet; float-off dust covers; more
	Guardian AquaGuard Gravity Flow Portable Eyewash Station, GEEW170540	Portable eyewash unit	16-gallon capacity tank	Self-contained unit; built-in carrying handle; dual spray heads
	Guardian Combination Wall Mount Eyewash & Drench Hose Station, GEWH170026	Eyewash unit and drench hose (plumbed)	2 spray heads, wall-mounted unit connects to water source	Hands-free operation; complete assembly/water testing before shipment
	Guardian Pedestal Mount Eyewash Station, GEWP17025P	Pedestal-mount eyewash station (plumbed)	2 GS-Plus spray-type heads, floor-mounted unit	Factory assembled valve/orange plastic bowl/spray-head assembly
	Guardian Safety Station with Shower, GSSN170902	Pedestal-mount shower and eyewash station (plumbed)	2 GS-Plus spray-type heads, floor-mounted unit	Flip-top dust cover, internal flow control, patented filter, more
